

FACT SHEET – PARKWAY HOLDINGS LIMITED

CORPORATE PROFILE

Parkway Holdings Limited, listed on the Singapore Stock Exchange since 1975, is one of the region's leading providers of healthcare services, with a network of 16 hospitals with more than 3,400 beds throughout Asia, including Singapore, Malaysia, Brunei, India and China.

In Singapore, the Group owns **Parkway Group Healthcare Pte Ltd** and **Parkway Hospitals Singapore Pte Ltd**, which operates three of Singapore's premier healthcare providers: **Gleneagles**, **Mount Elizabeth** and **Parkway East Hospitals**. The Group also owns **Parkway Shenton Pte Ltd**, a major provider of primary healthcare services; **Medi-Rad Associates Ltd**, a leading radiology services provider; and **Parkway Laboratory Services Ltd**, a major provider of laboratory services.

In addition, **Parkway Trust Management Limited** provides management services to **Parkway Life REIT**, while **Parkway Education Pte Ltd** offers healthcare education through **Parkway College of Nursing and Allied Health**.

The Group also operates 37 **ParkwayHealth Patient Assistance Centres (PPAC)** across the globe.

OUR NETWORK OF HOSPITALS

SINGAPORE

Parkway East Hospital

A 118-bed private general acute care hospital with an outreach specialist centre in eastern Singapore that provides a wide range of medical and surgical facilities, Parkway East Hospital (formerly known as East Shore Hospital) has built a niche for itself among residents in Eastern Singapore and the region for its personalised approach to care, convenient location and user-friendly services. Parkway East is also accredited with Joint Commission International (JCI).

Gleneagles Hospital

A 272-bed private tertiary acute care hospital providing a wide range of medical and surgical services for the total management of patients, Gleneagles' key strengths include its patient focus, user-friendly services, quality care, specialists' expertise and proven technology. Gleneagles Hospital is accredited with Joint Commission International (JCI).

Mount Elizabeth Hospital

A 357-bed private tertiary acute care hospital, Mount Elizabeth Hospital is one of the largest hospitals in the region and has an established reputation in Asia for private healthcare. It provides a wide range of medical and surgical services and is well known for the depth of expertise of its specialists, quality care of its nurses and staff, and its state-of-the-art technology.

Mount Elizabeth Hospital performs the largest number of cardiac surgeries and neurosurgeries in the private sector in the region. The hospital is accredited with Joint Commission International (JCI); and is the first private hospital in Asia to win the Asian Management Award for exceptional people development and management.
